

## Intro

DARK LORD: Hello, my DARKlingsss... TONIGHT will be a NIGHT to REMEMBER. For TONIGHT... my NEMESIS comes!

DARK LORD: A fortnight ago, a LITTLE BIRDIEEE delivered the FOLLOWING inviTATIONNN:

“Dearest JADE KNIGHT, I TIRE of this DANCE. This dance of GOOD versus EVILLLL. Come to my CASTLE on the night of the BLOOD RED MOONNN. The gates will be OPEN, and we’ll DANCE a FINAL time... and THEN... I’ll have you for DINNERRR.”

Ha ha HA HAAA!

GUARD: My lord, is this wise? Our forces can surely overwhelm our foe—

DARK LORD: NO! Nooo... The Jade Knight is our GREATEST FOE and now... our GUEST. Such a valiant warrior deserves a FITTING RECEPTIONNN.

GUARD: Yes yes! A banquet of agony and blood!

DARK LORD: Mmmm, of a sorrrt. My PETS will keep the knight enterTAINED all the way to the THRONE ROOM, where I will await my NEMESISSS.

GUARD: Ha! The knight will have to face US first! The GUARDIANS THREE give NO QUARTER.

DARK LORD: RRRmmmmm. My NEMESIS will not be so easily deFEATED... My PETS will STRENGTHEN the knight. You will FALL. Soon I will face the Jade Knight alone—I assure you. I do not pick my challengers LIGHTLYYYY...

GUARD: As you say, my Emperor. Should the Jade Knight be strong enough to defeat your minions and we of the Guardians Three, your nemesis will have more than earned the honour of crossing blades with you.

DARK LORD: I look forward to the CHALLENGE. Now come, darklings. The Jade Knight will soon arrive...

## Ending

DARK LORD: Greetings, fair Jade. I see you have accepted my inviTATIONNN... Did you enjoy the WELCOME?

JADE KNIGHT: Spare me. I came here for you, not them. Did you really have to include the Guardians Three in our affairs?

DARK LORD: Ssss.... They would've SUSPECTED us, if I had not allowed them to ATTEMPT to protect me. Ahhh, but I KNEW you would break through and COME for meee, no matter the trial. My dearest knight... in shining armourrrr...

<Swish reveal>

JADE KNIGHT: Flatterer! Now that I've caught you, I don't plan on letting anyone else cut in...!

DARK LORD: Mercy... mercyyy... We still have DINNER to look forward toooo...

JADE KNIGHT: Mmm. After we dance.

DARK LORD: Yessss. After we dannnce...!
